MEMORANDUM FOR: Acting Deputy Director for Intelligence

THROUGH: Assistant to the Director
Director of Security

SUBJECT: [REDACTED]
Request for Publication Clearance

25X1

REFERENCE: Memorandum for the Director of Economic Research
from [REDACTED]
dated 24 February 1970, Subject: Request for
Clearance to Publish Article Outside CIA

25X1

1. In the referent memorandum, attached, [REDACTED]
and [REDACTED] both economic analysts in [REDACTED]
[REDACTED] Eastern Europe Division of this Office, request
clearance to submit an article entitled [REDACTED]

2. The attached article has been reviewed by officials of
this Office and is believed to be void of classified and controlled
information. The article covers the same general subject matter
covered in [REDACTED]
issued as an official Agency publication (classified CONFIDENTIAL)
in January 1970. [REDACTED] were the principal
authors of this official report. For the attached article, the
authors have for the most part rewritten the Agency report and have
deleted all material derived from classified data and from sources
unique to the Agency. While it is very probable that anyone who
reads both [REDACTED] and the attached article will conclude that
the latter was based on the official report, we do not believe
that this would result in valid criticism of or adversely affect
the Agency since the authors will be identified with the Agency
in connection with publication of the article. The article is
scholarly and informative in nature and, although of interest to
a relatively narrow audience, makes a useful contribution in its
field to available literature on the USSR.
